$\text{♩} = 70$   
Dm C Dm C

I gave up me li - fe.  
The rest of my li - fe,  
Don't mess up your li - fe.

for a set of li - es.  
I won't base on li - es.  
Don't base it on li - es.

6 Dm Gm B $\flat$  C Dm

I list-ened to those who tried to tell me what's real.  
won't build it on sham ju - st be cause some-one says that it's real.  
Don't build it on sham ju - st be cause they say that it's real.

10 C Dm C

I had one life to li - ve.  
One life I li - ve.  
You've one life to li - ve.

I had so much to gi - ve.  
I have some-thing to gi - ve.  
You've so much to gi - ve.

14 Dm Gm B $\flat$  Gm

But I let them with lies my mind and pre-cious years steal.  
I won't let them with lies my mind and re-main-ing years steal.  
Don't let them with lies your mind and pre-cious years steal.

18 F Gm

My life all my own  
My life's now my own.  
Your life is your own.

I gave it a-way  
I won't give it a-way  
Don't give it a-way

22 F Gm

to waste it on dross  
to waste it on dross  
to waste it on dross

be-cause of what they did say.  
be-cause of what they may say.  
be-cause of some-thing they say.

26 Dm C

And when they drew near  
And when they draw near  
And when they draw near

my life force to steal  
my life force to steal  
your life force to steal

I should have sent them a-way.  
I will send them a-way.  
just send them a-way.
