

The Water Song

♩ = 100 F C F

Oh, on this earth there's
The a - qui - fers they get
We keep our lawns so
Oh, what will happen when the

not a lot of wat - er and you
low - er and get low er, and the
green that they do shi - ne, and we
a - qui-fers run dr - y, when the

3

B \flat C

know we're using more
ri - vers are run - ning
flush our toilet with three
ri - vers no longer

than we really ought to, and the
slow - er and much slow - er, and the
gal - lons at a time, and our
reach to you and I? When the

5 F C F

cli - mate they say is get - ting hot - ter and hot - ter, so let's join in and sing the
lakes are shrink - ing way back from their sho - res,
swim - ming po - ols, they spar - kle, oh, so fine,
far - mers have no more wat - er to ap - ply?
