C

Eight bil - lion people are on ourearth t-o-day. Eight bil - lion people

4 G C G

liveandwork and play. Eight bil - lion peo-ple, is that e-nough for you?

7 F C

Eight bil-lion people, seemslikequitea few. Howman-y can we car-ry? I'd

11 F G

real-ly li - ke to know, be-cause it isget - ting scar-y to keep upwith thisshow.

14 F C

How will we feed them? How will we clothe them? Can we their water sup - ply?

16 F G F

When all the a - qui - fers and the ri - vers are al - read - y go - ing dry? Can our plan - et o - ver the long term

19 C F G

such a load sustain? Or will our earth just give out un - der - neath all this strain?

22 C G C G

Eight bil - lion peo - ple. Are on our earth right now. Eight bil - lion peo - ple.

26 C G F

Eight bil - lion peo - ple. Are on our earth right now. Eight bil - lion peo - ple.

29 G C G

Isthereearth to plow? Eight bil - lion peo-ple. Don'tyou think that'squite e-nough,

32 F C

eight bil - ion peo-ple, on one pla-net to stuff?
