

# Oh, Viruses, Oh, Viruses

Ward Ricker

Ward Ricker

♩ = 104      F                                  C

Ev'ry once in a while god re-mem-bers us be-low and sends us a pre-sent  
Some-times he sends us a pre-sent big and grand, like an earth-quake or hur-ri-  
So when a new dis-ease, it should ap-pear, don't fret or feel too

4                                  F                                  C                                  Bb                                  C

grand. It makes him so hap-py such bles-sings to be-stow so his love we will un-der-  
-cane, but some-times smal-ler gifts he un-der-stands, his care for us will make  
blue. It's just god's way to make it plain and clear just how he feels tow'rd

8                                  F                                  C

-stand. Oh, vi-ruses, oh, vi-ruses, sent to us from a-bove. Such  
plain.  
you.

13                                  F                                  Bb                                  C                                  F                                  C                                  F

ti-ny lit-tle guys make lots of peo-ple die to show to us god's great love.
