

Come To Earth!

Ward Ricker

Ward Ricker

$\text{♩} = 110$ D G A

In the Mil - ky Way Ga - lax - y in the O - ri - on Arm
If you should hap - pen to pass that way be sure to stop a while.
When you come to Earth to vi - sit with your fam - ily and your friends.

3 D G Em A D G

there's a ve - ry spe - cial place that's filled with lots of charm. A pret - ty blue ball, it or - bits
Its beau - ty and splen - dor, they are sure to bring a smile. If in - to your sched - ule a short
You will sure - ly have a blast; the fun just ne - ver ends. For thrills and ad - ven - ture there's great

6 A G Em A

round an ave - rage sun. A lit - tle out of the way it is, but it of - fers lots of fun.
vi - sity you can slip, we know that you'll real - ly find that it is most sur - ely worth the trip.
op - por - tu - ni - ty. There's some - thing that's sure to please you, no mat - ter your pro - cli - vi - ty.

9 D G A D G

You can sail its o - ceans blue and ski its moun - tain tall, ex - plo - re its can - yons deep and then en -
On this love - ly pla - net you will find plen - ty to do. There's al - ways some - thing to dis - co - ver,
We are sure that your vi - sit will just a plea - sure be and that your grand ad - ven - ture will be

12

Em A D G A

-joy its wa-ter-falls. The flo-ra and the fau-na are just won-der-ful to see. Just
 some ad-ven-ture new. Just do be sure that you re-mem-ber this im-port-tantrule. Please,
 filled with le - vi - ty. Just do re-mem-ber this onething be - fore you get too wild. Do

15

G A Em A D G A

watch out for thena-tives. They're loo-ney as can be! Come to Earth! A great place to ex-plore.
 do not feed thena-tives. To do so is not cool!
 not dis-turb thena-tives. So ea-si-ly they're riled!

19

D G A D G A

You won't find a pla-net more fair! A won-der-ful place; I could-n't re-com-mend it more.
